**For fans of Alex Garland's *The Beach*, a true story of out-of-control travel**

*"Leaving the blinding sand for the cool shade of the trees, I walked carefully through the undergrowth to where Dave, using two twigs as chopsticks, was picking up a freshly severed human finger . . . "*

John's trip to India starts badly when his girlfriend, with whom he is traveling, returns home. Left to his own devices, he soon finds himself looking at the sharp end of a knife in a train station cubicle. But his life is saved—and turned upside down—by Rick, an enigmatic fellow traveler who persuades John to question his mundane plans for the future, risking it all for much, much more. Fast forward to the Thai island of Koh Pha-Ngan, where John, Rick, and their new friend Dave pose as millionaire aristocrats in a hedonistic Eden of beautiful women, free drugs, and wild beach parties. However, when they find themselves hotly pursued by the Thai Mafia, they embark on adrenaline-fueled journeys to Singapore, Indonesia, Australia, and Hong Kong, facing danger at every turn. This is not travel writing for the faint of heart: this is an unbelievable true story of the hunt for excess, at any cost.
