## Communicating With Orcas: The Whales' Perspective Mary J. Getten

*Communicating with Orcas* is the true story of an amazing journey by two curious and dedicated women into the unknown world of whales. Mary J. Getten, respected whale naturalist and professional animal communicator, and her colleague, Raphaela Pope, take the reader on a unique voyage of discovery about these fascinating creatures of the sea. Together they use the telepathic skills and communication abilities to interview and converse with wild and captive orcas.

This is a book like no other. It unlocks the many mysteries of orca life and death. It is a moving description of a close family group in which all members travel, work, eat, play, and even sleep together. Most of all, it takes you inside their world, allowing you to see things from their perspective and to understand another way of life--the orca way.
