Horticulture Today Jodi Songer Riedel, Elizabeth Driscoll

An all-new option for introductory horticulture or plant science courses, *Horticulture Today* engages students with practical information they can use and hands-on activities they perform. Written by two dynamic agriculture educators, the text presents a contemporary overview of the horticulture industry, then provides thorough coverage of plant science, horticultural practices, landscape design and maintenance, and integrated pest management. In developing an appreciation for the diversity and global context of horticulture, *Horticulture Today* helps students to develop literacy in Green Industry careers as well as the skills they will need to succeed.
