The National Council of Teachers of Mathematics has established curriculum standards for early childhood math skills. Preschool Math features creative, developmentally appropriate activities that directly address these standards. Children will have fun learning about patterns, sorting, numbers, measuring and shapes. Each of these units features activities that encourage interaction and communication, healthy food themes, ready-to-use reproducibles and fundamental mathematical concepts. Give children a foundation for learning that will pave the way for future confidence and success in mathematics. It's as basic as 1-2-3!
