A Good Handful: Great New Zealand Poems About Sex

A Good Handful: Great New Zealand Poems About Sex

This poetry anthology was conceived as something of a stunt to heighten the visibility of New Zealand writers. All the contributors are New Zealanders, and all of the more than 100 poems address the topic of sex—not love, just sex. The result is a collection that tackles sex from every angle, including the comic in Karl Stead's "The Clodian Songbook," the confessional in Rachel McAlpine's "A Frightened Poem about My Breasts," the metaphysical in James K. Baxter's "On the Death of Her Body," and the just plain horny in Vincent O'Sullivan's "Remembering Westmere."

Lowell Bohler:

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this A Good Handful: Great New Zealand Poems About Sex can make you really feel more interested to read.
