"So you think you're a good driver, huh? But are you safe?" Test Your Driving IQ is a fun and entertaining way of assessing your motoring knowledge and skill. Including well over 600 questions, the book challenges you to answer increasingly demanding questions. The third section culminates in a final test that will give you an IQ score measured against a sample of over 2,000 peoples' responses to the same questions. Then you can really gauge just how safe a driver you are. Targeted at fully qualified drivers who want to rise to the challenge and put their driving knowledge to the test, this book is produced in collaboration with BSM, the country's premier driver training organisation.
