Danube Divide

Jardonn Smith

Danube Divide Jardonn Smith

The Battle of Hadrianopolis, 378 AD, Roman legions versus Gothic warriors -- ancient historian Ammianus called it the worst defeat in Roman history since Cannae. Theologian Rufinus said it was the beginning of evils for the Roman Empire then and thereafter. Fifteen thousand Romans, two-thirds of the Eastern Empire Legionary forces, lay dead or dying on a Thracian plain, but for four men on opposite sides of the battle, no conflicts of cultures, religions or territorial boundaries could keep them apart. Nor could the mighty river that separated their homelands -- The Danube. Despite all obstacles, these men will find their way to conquer the Danube Divide.
