Dark Carnival

Ray Bradbury

Dark Carnival Ray Bradbury

Over 50 years out of print the October release of DARK CARNIVAL by RAY BRADBURY will be the literary event of the year for Bradbury fans. After many years Ray Bradbury has agreed to allow this classic to be published in a LIMITED edition, with bonus material, edited by his long-time bibliographer Donn Albright. With the space allowed here we can't provide details of ALL the bonus material, but for complete details check out the Gauntlet Press website. The cover art is a Bradbury oil painting from Albright's personal collection, painted by Bradbury around the time of the original publication of DARK CARNIVAL. We will be reproducing the book as it originally appeared AND then add a host of bonus material, from Albright's personal archives. We will be including five additional short stories for this definitive edition of the DARK CARNIVAL. These are stories that did not appear in the original, with most all but impossible to get a hold of. All were originally published in Weird Tales and were at one time considered for publication in the original version of DARK CARNIVAL. Four stories will appear in the book itself: "The Watchers" Bradbury's first anthology sale in Rue Morgue which he sold at the age of 25. There is also "The Poems" "Bang, You're Dead" and "The Seashells." Other bonus material include Bradbury's original proposal for DARK CARNIVAL, a detailed proposal for a ballet with handwritten notes Bradbury made to himself, the original U.S. and U.K. versions of the cover, story notes in Bradbury's own words from a taped session with Donn Albright and far more. Only 700 numbered copies of this classic will be sold. After we're sold out Bradbury's representatives say the book goes back in the vault (NO further editions, no paperback). Since the book will not be out until November (but will in all probability be sold out) it's wise to order a copy now. With so few available their value will skyrocket, just like the original.

*Note: This book will **not** be **signed** by the author, as previously noted. -- Gauntlet Press, 10/23/2001.*

From reader reviews:

Amy Medina:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to be aware of everything in the world. Each publication has different aim or even goal; it means that reserve has different type. Some people truly feel enjoy to spend their a chance to read a book. These are reading whatever they acquire because their hobby is reading a book. Consider the person who don't like reading through a book? Sometime, particular person feel need book when they found difficult problem or perhaps exercise. Well, probably you will need this Dark Carnival.

Mary Alejandro:

Reading a reserve can be one of a lot of action that everyone in the world enjoys. Do you like reading book thus. There are a lot of reasons why people love it. First reading a guide will give you a lot of new details. When you read a book you will get new information simply because book is one of several ways to share the information or maybe their idea. Second, studying a book will make anyone more imaginative. When you reading a book especially fiction book the author will bring you to imagine the story how the character types do it anything. Third, you can share your knowledge to others. When you read this Dark Carnival, you are able to tells your family, friends and soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a publication.

Patricia Briggs:

This Dark Carnival is brand-new way for you who has curiosity to look for some information given it relief your hunger info. Getting deeper you onto it getting knowledge more you know or you who still having little digest in reading this Dark Carnival can be the light food in your case because the information inside this specific book is easy to get through anyone. These books produce itself in the form that is certainly reachable by anyone, sure I mean in the e-book form. People who think that in publication form make them feel sleepy even dizzy this e-book is the answer. So there is not any in reading a book especially this one. You can find what you are looking for. It should be here for a person. So , don't miss the idea! Just read this e-book type for your better life as well as knowledge.

Richard King:

A lot of e-book has printed but it takes a different approach. You can get it by internet on social media. You can choose the most beneficial book for you, science, comic, novel, or whatever simply by searching from it. It is identified as of book Dark Carnival. Contain your knowledge by it. Without causing the printed book, it may add your knowledge and make you happier to read. It is most critical that, you must aware about guide. It can bring you from one destination to other place.
