The Promise of the Future says Sinclair Ferguson, introduces us to the full range of biblical teaching on eschatology (the study of the last things). It rightly stresses that...as Simon Peter pointed out on the Day of Pentecost, the resurrection of Christ and the gift of the Spirit mean that the future has invaded the present, so that we are already living in 'the last days'...I believe that you will find the study on which you are about to embark both intellectually satisfying and spiritually enriching.
