Karisah, I've already finished reading every poem in your book. Amazing. Outstanding talent. Excellent work! Once I started reading, I didn't want to stop until I finished the book. Thank you for sharing it with me. I'd assume that many of the poems reflected your personal emotions and/or life experience at the time you wrote them. The thoughts and words that came to my mind as I read the poems were: Sad, alone, determined, proud, lonely, full of love to give, worthy of receiving as much love in return, self-confident but needing reassurance. My reactions may be accurate as to your personal feelings, or they simply have been the artful way you generated the emotions of the reader. Either way, your words skillfully drew me in, and made me want to read more. If you have any questions about the book or would just like to send a praise. Please email me at ebookopinions@gmail.com Thanks and happy reading!
