A thousand and one / Haiku for everyday use / By Nathan Smithë: Volume 2

Nathan Smithë

A thousand and one / Haiku for everyday use / By Nathan Smithë: Volume 2 Nathan Smithë

What's the deal with the Backstreet Boys these days? Are they doing ok? You know I'm not even sure if that's the band with Justin Timberlake. Is that N-Sync? What's up with Justin Timberlake? Is he bringing sexy back? Was that a couple years ago?

I remember back when Backstreet Boys were on top of their game seeing a guy in a little car at an intersection in my hometown just blasting the crap out of Backstreet Boys. It could have been N-Sync. Don't get my started on O-town! Thanks a lot Jessica Simpson, breaking up what was to be the greatest thing from Florida since Papa Roach. Sheesh! Anywhoozle.

Comin' back here to you once I figured it out. You were right here all along. It's like you're my mirror, My mirror staring back at me. I couldn't get any bigger with anyone else beside of me. And now it's clear as this promise that we're making two reflections into one. 'Cause it's like you're my mirror. My mirror staring back at me, staring back as me.
