A chronicle of the events that took place before, during and after two record-breaking hurricanes. The people of Plaquemines Parish suffered losses of life and property on September 8, 1965 when Hurricane Betsy tore through the coastal communities located on a Louisiana peninsula that juts out into the Gulf of Mexico.

Hurricane Camille's devastating trek through the area on August 17, 1969 proved to be more powerful than any other hurricane on record to travel across these lands. Winds over 200 m.p.h. and rushing waters tore at the lands and all upon them to destroy an entire world. Sisters of Destruction is a chronicle of the events that took place before, during and after two record-breaking hurricanes. It is also the story of the people who fought to survive the anguish of losing their life's work while learning the value of family and friends.
