Greek Memories

Compton Mackenzie

Greek Memories Compton Mackenzie

Compton Mackenzie was a celebrated writer at the start of the Great War. He was soon recruited by British Secret Services, becoming "our man in Greece." Later, he broke the rules by writing memoirs that included secret documents naming serving officers and exposing agents' cover. Mackenzie was prosecuted and *Greek Memories* was banned. Now, for the first time, here is Mackenzie's memoir as it should have been seen—a remarkable document of wartime espionage.

Compton Mackenzie (1883–1972) was the author of over ninety books including *Whisky Galore*. During the First World War he ran the Aegean Intelligence component of what later became MI6.
