Mahatma I & II: The I Am Presence Brian Grattan

What all of humankind has learned in the past about creation is the way that existence isn't -- a paradox!

"I, Vywamus, think that this (Mahatma) is the most important thing that's happened on your Earth and for humanity."

Awaken and realize that all of humankind will create a "body for ascension," whether this is accomplished now or later. This is not the exclusive domain of Christ or Buddha or many others who have ascended -- this is your birthright. You are not relegated to worshipping those who have already done this very basic initiation called ascension. Christ and Buddha would be the first to acknowledge that they are just beginners on their eternal journeys.

When humans lift the veils of their unworthiness and recognize that they are the sons of God, that there is divine equality and no one is greater than another, then you will have begun your journey in the way that it was intended.

In your near future, your Planetary Hierarchy will release the world from theology, ecclesiasticism, and the wrathful Jehovah and return humanity to its rightful journey into spiritualizing matter, not worshipping it!

The Mahatma is for those who are motivated to search for the answers that can respond to their mental and spiritual bodies. In the past, humankind's choices of beliefs and religions have supported only the emotional body and the darker, material side of life. And truly, if humankind is going to remain on Earth, very drastic shifts of consciousness will be required in Earth's new four-dimensional reality.

No matter how contrary to your current beliefs, this book contains methods for creating your spiritual lightbody for ascension, and it also explains your eternal journey in a way that was never before available to humankind.

Mahatma I & II includes the full text of Mr. Grattan's previous book, *Rider on the White Horse*.
