Bondage: Laura Manson Stansfield Photocollection Laura Manson Stansfield

This is a compelling collection of 30 years of erotic bondage photos accumulated by a psychiatrist during the course of therapy of her most important patient: a troubled young man at the brink of being jailed as a pornographer. Michael B. was the inadvertent catalyst for cultural change in the early 1960's, when he was arrested under the now defunct, and then antiquated, Comstock Law, for being in possession of the photographs now depicted in this fascinating book. A captivating taste of the past and its strictures, Bondage offers one provocative subject in one thrilling collection!
