Checkpoint Charlie

Tom Arnold

Checkpoint Charlie Tom Arnold

The year is 1966. Cold War tensions are high. American society is fragmented by racial unrest and an unpopular war in Viet Nam. Europe is divided by the Iron Curtain; an ugly, concrete wall slices through Berlin. Against this tumultuous backdrop, four young expatriates travel to Berlin where they befriend two East German dissidents. After a harrowing arrest by the hated and feared border police, the Volkspolizei, the expats concoct a dangerous scheme to help their new friends escape. Will David, the angry leader, Louisa, a cool-headed girl who prevents disaster time and time again, and Simon, a Brit with large appetites and little to lose, succeed in helping Johann, an artist, and his beautiful girlfriend Liesl, reach freedom in the west?
