For many, securing a job as Cabin Crew is the biggest challenge. From tips on how best to write your application form through to what to wear for your assessment day or how to prepare for your interview, you will feel much more prepared after reading the first chapter of the book. The second hurdle is the Cabin Crew training-contrary to public opinion, Crew are far more than waiters/waitresses in the sky! From fire-fighting, to midwifery, to survival techniques, Cabin Crew are often the only emergency services at 30,000ft. Many Crew describe their 6+ weeks intensive training course as 'the toughest thing they've ever done' whilst also being 'by the far the most fun they've had'. It's hard work, but worth it- and chapter two will help you to be prepared and relieve some of those anxious nerves! The final part of the book covers everything that you need to know once you start life as Cabin Crew. When working in the world of Aviation it can feel like everybody is speaking an entirely different language at times!
