Nanno Marinatos

Minoan Kingship and the Solar Goddess: A Near Eastern Koine Nanno Marinatos

Ancient Minoan culture has been typically viewed as an ancestor of classical Greek civilization, but this book shows that Minoan Crete was on the periphery of a powerfully dynamic cultural interchange with its neighbors. Analyzing the symbols of the Minoan theocratic system and their similarities to those of Syria, Anatolia, and Egypt, Nanno Marinatos unlocks many Minoan visual riddles and establishes what she calls a "cultural koine," or standard set of cultural assumptions, that circulated throughout the Near East and the eastern Mediterranean. With more than 150 illustrations, [Minoan Kingship and the Solar Goddess](#) delivers a comprehensive reading of Minoan art as a system of thought.
