Go where no other Photoshop book takes you. *The Art of Photoshop, CS2 Edition* allows you to look over the designer's shoulder while learning advanced Photoshop CS2 techniques. 19 vivid, full-color images, available on the included CD-ROM, will inspire you to push your understanding of Photoshop CS2 and its capabilities. Learn the techniques that the designer used to create the images and then how to apply them to your own images using the same techniques and the new tools available with the Photoshop CS2 software. Work with author **Dan Giordan** on developing these 19 images by:

- Making complex selections
- Transforming layers
- Mastering curves and color correction
- Working with layer masks
- Mastering the distort filters
- And more

The techniques you learn in *The Art of Photoshop, CS2 Edition* and the included images will inspire your design skills and show you how to develop your own image editing talent with Photoshop CS2.
