The U.S. Navy has reactivated the Philadelphia Experiment and is using the new un-commissioned Navy ship the Eldridge as the basis for its invisibility experiments. The experiments prove successful but sailors are still disappearing just as they had in 1943. Lucky thinks he may know where some of the missing sailors have disappeared. But in order to reach them he encounters a malevolent energy that exists in a dark foreboding portal. Why is Lucky a threat to General Peter Slater, a 4 star general in charge of the military? Secretary of State Oliver Stanton, Mickey and Lucky evade capture by entering a portal and escaping to the past. Their search for a way back to the present brings them in contact with prehistoric animals, Roman Legionnaires', Greek Temples, lost cities and more.... But Lucky and his friends discover that they are lost in time and in order find their way back to the present they seek the council of the Oracle at Delphi. Join Lucky in the 6th book in the Time Portal Series, where each portal you enter becomes an adventure.
