Kinesiology of the Musculoskeletal System: Foundations for Rehabilitation, 3e Donald A. Neumann PhD PT FAPTA

With its focus on the normal and abnormal mechanical interactions between the muscles and joints of the body, **Kinesiology of the Musculoskeletal System: Foundations for Rehabilitation, 3rd Edition** provides a foundation for the practice of physical rehabilitation. This comprehensive, research-based core text presents kinesiology as it relates to physical rehabilitation in a clinically relevant and accessible manner. It provides students and clinicians with the language of human movement and acts as a bridge between basic science and clinical management. Full-color anatomic and kinesiology illustrations clearly demonstrate the anatomy, functional movement, and biomechanical principles underlying movement; and dynamic new video clips help you interpret new concepts with visual demonstration.

- **More than 900 high-quality illustrations** provide you with the visual accompaniments you need to comprehend the material.
- **Clinical Connections boxes** at the end of each chapter in Sections II through IV highlight or expand upon a particular clinical concept associated with the kinesiology covered in the chapter.
- **Special Focus boxes** interspersed throughout the text provide numerous clinical examples that demonstrate why kinesiology information is needed.
- **Critical thinking questions** challenge you to review or reinforce the main concepts contained within each chapter.
- **Evidence-based approach** emphasizes the importance of research in physical therapy decision-making.
- **Evolve site for students** comes with video clips, answers to study questions, and references linked to Medline.
- **Evolve site for instructors** includes an image collection from the text, teaching tips, and lab activities.
- **NEW! Kinesiology of Running chapter** covers the biomechanics of running.
- **NEW! Video clips** help you interpret new concepts with visual demonstration.
- **NEW! All-new content** on the pelvic floor.
- **NEW! Thoroughly updated references** emphasize the evidence-based presentation of information in the text.
- **NEW! QR codes linked to videos** for easy viewing on mobile devices.
- **NEW! Pageburst enhanced edition** allows you to access multimedia content from the eBook without going to another website.
