So You're Going to College: Practical Tips to Help You Survive Freshman Year and Enjoy College

Pedro C. Falci

Let's be real: going to college is exciting, significant, and potentially nerve-wracking. Leaving the familiarity of high school behind to start a new journey with unknown people can be a little daunting, but with a better understanding of what college life entails, you can easily hit the ground running to make friends, succeed academically, and find your true passion in no time. From dealing with roommate issues to picking a major, "So You're Going to College" gives students and parents a glimpse into the university world from the perspective of a recent grad who shares his tips, regrets, and lessons-learned in a brief, honest way to give new students the information they need to make the most of their college experience.
