The Edge: The War against Cheating and Corruption in the Cutthroat World of Elite Sports Roger Pielke

Roger Pielke reveals how sports stars break the rules in their search for a competitive edge.

Both entertaining and thought-provoking, THE EDGE not only visits the battlefields in the war against cheating and corruption, but also explores ways to ensure that “the spirit of sport” can survive in today’s high-tech, highly professional world.

Drawing on controversies straight out of the headlines, Pielke looks at doping, match fixing, fake amateurism, and other ways of breaking the rules. But are those rules--and the values they reflect--hopelessly outdated?

Wonderfully readable and scrupulously researched, THE EDGE blends science and journalism to produce an unforgettable account of sport in crisis.
