Undead & Unbound: Unexpected Tales From Beyond the Grave (Chaosium Fiction) C.J. Henderson, Cody Goodfellow, Gary McMahon, Robert M. Price, ...and others

Undead & Unbound celebrates those who have returned from the grave — in all their glory and in whatever form they take. You will find the famous blood-drinkers and flesh eaters here, but also ghosts, patched-together reanimates, fiends of myth and folklore, and some not-so-easily-identifiable creatures from beyond the grave.

Nineteen tales take the undead to their limits. From the distant past to the far-flung future, and to all corners of the Earth, the undead are eternal and everywhere: symbiotes, parasites, monster mash-ups and ghoulish grins, bleak tales of inescapable dread, an ancient evil from a far-away land with unspeakable dietary needs, a boy and his...well, it's not a dog. History is brought to (un)life. Ghosts, specters, phantoms and haunts of every sort. Not-so-easily-classifiable stories that do new things with the basic premise of what's alive, what's dead, and what's neither.

And yes, you lovers of all things zombie—fear-not, for your favorite flesh eaters are here but, thankfully, not exactly as you would expect them.

Undead & Unbound celebrates all things from beyond the grave, the different, and no matter how old the bones, new life can always be found.
