**An Introduction to Jean-Yves Lacoste (Routledge Studies in Theology, Imagination and the Arts)** Joeri Schrijvers

Introducing the thought of philosopher and theologian Jean-Yves Lacoste, this book provides an overview spanning Lacoste's earliest works on sacramentality to his latest work *Etre en Danger* (2011) in which Lacoste opens up the liturgical experience onto a spiritual experience of life. Schrijvers unfolds the logic of what Lacoste calls 'the liturgical experience' from its violent variety in *Expérience et Absolu* to the logic of love and love's possibility as it is developed in the later works. Throughout the book, the focus is on Lacoste's dialogue with Heidegger and through this his attempt to widen the scope of phenomenology to include the phenomenality of the divine.
