Over 3000 properties in England, Scotland and Wales offering bed and breakfast accommodations where tourists can stay are featured. Many of the properties -- which include hotels, guest houses, country clubs, inns, castles, windmills and family homes -- are illustrated with a color photograph or b&w line drawing. Over 800 color photographs and hundreds more illustrations are used.

Each area is given a brief description of the countryside, with principle tourist attractions and history of the region. All the necessary information about the accommodations is provided, including prices, opening dates and facilities. The name of the owner, with full address and telephone numbers, is also given, along with a map reference.
