2013 – **2014 Busy Mom Daily Planner** - Are you a busy mom with multiple kids in different activities? Do you love watching Jimmy play soccer and Jane play softball but sometimes find it difficult to keep track of who is playing when or where?

Are you a single mom that finds it hard to get your kids to some of these games or practices without help from other family members? When you have multiple kids, even with the help how do you keep track of all the different dates and places?

Now add to this hectic family schedule your own appointments like doctors, meeting friends for lunch, work related functions or other entertainment activities, and you have a full calendar.

With the **Busy Mom Daily Planner**, you no longer need to wonder what you meant when you wrote those abbreviated cryptic notes on the wall calendar. With the Busy Mom Daily Planner system you simply write a name and number on the calendar in the date of the activity and on the corresponding page there is more than enough room to write next to the designated number all the details for that appointment or activity.

Look at the sample to see how easy this Daily Planner is to use. It was designed by two busy grandparents after they had three granddaughters, playing softball on three different teams on three different fields.
