Charlotte has made a home for herself in Amish Country with Daniel. But unforeseen events rock their fragile world and may move them even further away from the life they long for.

Charlotte, an Englisher, is living in Amish Country, and she has formed strong and lasting bonds with the people in her new community. She has even fallen in love with an Amish man. But just when she is considering a permanent conversion to the Amish way of life, her world crashes around her. An unexpected death and a mysterious visitor unsettle Charlotte, and she begins to question her faith and her choices.

Daniel loves Charlotte and wants to share his life with her, even if it means leaving the only world he's ever known. But as he walks alongside of her through her struggles, his own world is turned upside down when a loved one receives a grim medical diagnosis and a prodigal relative returns home. Will Charlotte and Daniel's relationship succumb to the many pressures around them, or will their faith and the strong community around them allow them to weather the storms of their own lives in order to build a life together?
