Minton the spotty salamander has leapt out of *The Hottest Boy Who Ever Lived* to have his own adventures. Minton loves things that move—boats, planes, cars, and trucks. And he always finds just what he needs to make these vehicles. After each story, there are directions for making Minton's favorite modes of transportation out of everyday kitchen materials such as margarine tubs, plastic bottles, corks, and skewers.

Minton can't wait to explore the city in his new car. But with Minton behind the wheel, Turtle is not sure what might be around the corner.
