New York City Skyscrapers (Postcard History) Richard Panchyk

New York City Skyscrapers celebrates the numerous awe-inspiring buildings that have made New York the skyscraper capital of the world. This book traces the history of New York's tallest structures from the late 19th century, when church spires ruled the skyline, through the 20th century, when a succession of amazing buildings soared to new heights. From the Flatiron and Woolworth Buildings to the Chrysler and Empire State Buildings, the skyscrapers of New York have long captured the imagination of people around the world.
