"All I want is to play cards, to run my fingers over those slick, hard surfaces, to feel that cold power flowing in and out through my hands and eyes."

In a stirring story of obsession, Denn Doyle learns that he has a natural talent: he can beat anyone at cards. His peers, even older, experienced players. Soon his easy-found success has him riding high, but his family, his academic future, and his girlfriend are at stake. Is it worth the price? Shuffle the cards. He's ready to show you.
