***WARNING - This is not your typical happily ever after.

Babs is no stranger to the MC world. As an ol' lady, she takes the hell that comes with it and dishes it out times two. When things take a turn for the worst, it leaves her questioning just how equipped she is for the hell she lives. She thought her marriage with Locks was it; that she had it all. But the past has a way of sneaking up and tearing life apart. Finding herself trapped as Locks' ol' lady, with the threat she will be his till the grave, her world spirals out of control. The only person risking it all to save her is the last person she thought would care: Bull.

The president of the Devil's Dust MC, Bull, is good at running women off and is even better at pissing off his brothers. When he sees the way his vice-president is treating his ol' lady, he tries to keep his thoughts to himself. The one thing Bull insists on in his club is respect and loyalty: respect for the patch, respect for your brother, and loyalty to the club. However, after finding Babs in a harsh predicament after a run in with Locks, he can't help but step in.

Crossing lines and hurdling around life's unpredictability, will they find refuge in each other or will they have to endure what life gives them?
