The Road to Femininity: A New Life for a New Woman Katherine Reilly

This book is a guide for trans women who need help in their first steps to becoming who they are, as well as experienced trans women who wouldn't mind some more advice dealing with everyday issues they might face. The Road to becoming a Woman has never been easy. Even though society has changed over the years, humanity still has a long way to go... Some countries are more accepting, while others are not. This book highlights most of my experience as a transitioning woman living in Greece. A country that does not legally accept transgenders or support LGBT rights for that matter. My advice will help you avoid a lot of mistakes I've made in the past and hopefully have an easier time becoming who you are with less heartache. Being who you are is difficult but not impossible. Just stay true to yourself and remember... This is YOUR LIFE!
