Robert Farrar Capon

Between Noon and Three: Romance, Law, and the Outrage of Grace Robert Farrar Capon

Picture a college town in the mid-1970s. An English professor who has become an expert in extramarital dalliances is smitten by one of his graduate students. They meet for lunch around noon, and before three they make declarations of love. Is it possible that their subsequent affair could ultimately teach us something about true forgiveness and the radical meaning of grace? Only Robert Farrar Capon would have the audacity - and the authorial skill - to fashion such a tale. It has taken well over a decade for *Between Noon and Three* to appear in this, its original form. First published under two separate titles with significant parts excised and an entire section recast, the real *Between Noon and Three* is actually a trilogy of intertwined tales, each of which exhibits Capon's persistent insistence on the outrageous nature of grace. The original manuscript is here printed in full, including a new introduction by Capon on the work's unusual history.
