Cultural Competence in Health Care Wen-Shing Tseng, Jon Streltzer

Cultural competence in Health Care provides a balance between a theoretical foundation and clinical application. Because of the focus on basic principles, this book will be useful not only in the United States, but throughout the world as Cultural Competence is intending to fill the cultural competence gap for students and practitioners of medicine and related health sciences, by providing knowledge and describing the skills needed for culturally relevant medical care of patients of diverse ethnic and cultural backgrounds.
