The Divine world has always heard human beings and spoken to them in numerous ways, be it through the language of nature, the happenings in life, communication in the secrecy of one's heart, or the Teaching of the Masters. Through the great Essene method of the Circle of the Archangels, the Divine world can once again enter into a relationship, and enable all beings who awaken to build a world of Light in harmony with the laws of the universe. Man must search from his own being, take steps to understand in the reality of life, his own history, his own relationship with his father and mother, the two principles that animate his life, says Archangel Uriel in his first psalm. The messages of Archangel Uriel touch upon all the aspects of life as we live it today.
