Frog in the Kitchen Sink Jim Post

“Never put a frog in the kitchen sink, or your mother’s gonna yell . . . !” Learn where you should *never* put a frog in this silly rhyming book that features moving lenticular eyes--wacky characters come to life as you tilt the page!

When he's not soaking in the kitchen sink, you might find this bold, little froggy in your daddy’s shoes, your sister’s bed, or even your brother’s shorts! No matter where he ends up, kids and parents will have a good laugh as they discover all of the wrong places for a frog to be found.

Singer-songwriter Jim Post (Rock and Roll Hall of Famer) has written a story to be sung, and Dan Vasconcellos' outrageously fun illustrations will delight readers with surprises on every page!

From reader reviews:

Joel Fallis:

People live in this new moment of lifestyle always try to and must have the time or they will get lots of stress from both everyday life and work. So , if we ask do people have free time, we will say absolutely of course. People is human not a robot. Then we request again, what kind of activity do you possess when the spare time coming to a person of course your answer will certainly unlimited right. Then ever try this one, reading textbooks. It can be your alternative with spending your spare time, the book you have read will be Frog in the Kitchen Sink.

Diane Gonzales:

Playing with family within a park, coming to see the water world or hanging out with buddies is thing that usually you have done when you have spare time, and then why you don't try factor that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Frog in the Kitchen Sink, you can enjoy both. It is excellent combination right, you still wish to miss it? What kind of hang type is it? Oh occur its mind hangout fellas. What? Still don't get it, oh come on its referred to as reading friends.

Andrew Joy:

Within this era which is the greater person or who has ability in doing something more are more valuable than other. Do you want to become among it? It is just simple approach to have that. What you are related is just spending your time not much but quite enough to enjoy a look at some books. One of many books in the top checklist in your reading list is actually Frog in the Kitchen Sink. This book which is qualified as The Hungry Hillside can get you closer in growing to be precious person. By looking up and review this e-book you can get many advantages.

Russell Pittman:

Do you like reading a publication? Confuse to looking for your favorite book? Or your book has been rare? Why so many issue for the book? But almost any people feel that they enjoy for reading. Some people likes reading through, not only science book but in addition novel and Frog in the Kitchen Sink or even others sources were given know-how for you. After you know how the fantastic a book, you feel would like to read more and more. Science book was created for teacher or students especially. Those textbooks are helping them to bring their knowledge. In additional case, beside science book, any other book likes Frog in the Kitchen Sink to make your spare time more colorful. Many types of book like this one.
