I Kings: Torn in Two (Studies in Tanakh) (Maggid Studies in Tanakh) Alex Israel

The Book of Kings narrates the vivid and turbulent history of Israel and its monarchs. In *I Kings: Torn in Two*, master educator Alex Israel uncovers the messages hidden between the lines of the biblical text and draws rich and indelible portraits of its great personalities. Revealing a narrative of political upheaval, empire building, religious and cultural struggle, national fracture, war and peace, *I Kings: Torn in Two* depicts the titanic clashes between king and prophet and the underlying conflicts that can split apart a society.

Using traditional commentaries and modern literary techniques, the author offers a dynamic dialogue between the biblical text and its interpretations. The result is a compelling work of contemporary biblical scholarship that addresses the central themes of the Book of Kings in a wider historical, political and religious perspective.
