**Jocked Up** Summer Cooper

**Drake, NFL superstar.** Six years ago, I left town for football...at least that's what everyone thinks. The truth is, I couldn't face what I did. I just wanted to be with her, my soon-to-be stepsister. It was wrong, and the only thing I could think to do is to pack up and run! Just as I thought I had it all, running into her again made me realise that she is the only thing I've ever wanted. And this time, I will never run away. I deserve my second chance in love, with her... only her. **Bethany, the good girl.** Talented, tall, ripped and with smouldering good looks that burn your soul. Sounds like a deal too good to be true, right? He is the biggest mistake I ever made in my life. His mum and my dad were going to get married, what was I thinking getting in bed with him? Lucky me, he left town the next day. Lucky me, our parents called off the wedding; otherwise, I would never have been able to forgive myself. The only problem is, he is back in town and wants to take me out! My best friend Amelia, who happens to be his sister, insists that he has changed. Do men like Drake ever really change? Maybe. Maybe not. The thing is, I can not afford another mistake like this. Not now that I have him, my son, my only joy. **A romance full of twists and turns! Ready for an emotional roller coaster?**
