Kill Bill

Quentin Tarantino

Kill Bill Quentin Tarantino

For the first time ever in print, the legendary screenplay of the iconic film KILL BILL, with markedly different scenes than the movie, an introduction by a film scholar, and a foreword written by Quentin Tarantino.

In this epic, novel-esque scenenplay that was split into two films by the studio, a woman known only as The Bride awakens from a four-year coma. The child she carried in her womb is gone. Now, she must wreak vengeance on the team of assassins who betrayed her-a team she was once part of. With new cover art envisioned by Tarantino himself, KILL BILL, along with *Django Unchained*, and *Pulp Fiction*, will be designed to look great as a stand-alone, but also to coordinate as a complete collector's set for the Tarantino fan.
