## **Ramblings of a Targeted Individual: (Edition Seven)** Sharon R. Poet

This book is an example of what a long term Targeted Individual goes through in the grueling process of trying to figure it all out while still being targeted – threatened, microwaved, shot with laser weapons and parts of statements altered or erased by those who infiltrate our computers and lives...etc. It reflects the excruciating pain, the angry frustration, the confusion and repeated pleas for acknowledgment of the crimes – for help that is not yet here for us. This book is a stand against the technological targeting and enslavement of humanity as well as the horrors of gang stalking – a covert harassment program that uses our own recruited/enslaved community members, in order to harass, threaten and literally terrorize us. The 12th edition and the “Resurrection” edition have been failed attempts to reconstruct my blog, but they contain more recent posts than previous editions. Earlier editions may have more complete forms of earlier posts. These various editions reflect my grueling fight to keep my writings intact, which has been lost along with my loss of Freedom. But, perhaps someday, Freedom will be restored and I can offer just one complete book, which includes updated explanations. Until then, these few editions of my ramblings are the best I can do with restoring and recording the blog, which is at [www.sharonpoet-ti.blogspot.com](http://www.sharonpoet-ti.blogspot.com) Find more information on [www.targetedinamerica.com](http://www.targetedinamerica.com)
