The Great Laundry Adventure Margie Rutledge

The Lawrence family (three children, one dog, one cat and two parents) has a crisis on its hands - too much laundry and no place to put it. Are the thirteen baskets they buy in the mysterious shop in the market the end of their problems? Or is it just the beginning of a grand and maybe dangerous adventure for Abigail, Jacob and Ernest? When the baskets become the gateway to another time, the children encounter mysteries which they must solve...before their parents disappear altogether.
